

Milton Keynes Theatre are supporting Disabled Access Day on Sat 12 Mar by holding an Access Open Morning and hosting two assisted performances of *Hobson's Choice*, including an audio described and captioned performance.

Between the hours of 10am-12.30pm you are welcome to join us in our Piano Bar where you will have the opportunity to meet with our venue Access Champions and find out more about our Access performances including captioned, audio described, British Sign Language interpreted and relaxed performances. There will also be the opportunity to learn more about our hearing equipment including our induction loop necklaces and our Sennheiser headsets, both of which amplify sound.

Front of House Staff will be on hand to discuss and demonstrate how our new *Ordertorium* (at seat ordering service) works so that you can order and have refreshments delivered to your seat in the auditorium.

Our auditorium will be open for people to go and explore our most accessible areas, including our seats for wheelchair users, rows without steps and the best places to sit to gain the best reception of our infrared sound amplification system.

We will also be holding several touch tours throughout the morning aimed at people with visual impairments where you will be taken onto the stage to explore the set and costumes.

Tours are running at 10.30am, 11am or 1pm. Spaces on these tours are limited so please pre-book by emailing us on the address below.

Our Access Champions will be on hand all morning to answer any Access related questions you might have or even to just talk you through our Access booking process.

Free tea, coffee and refreshments will be provided.

You may also want to book for one of our Access performances of *Hobson's Choice* taking place later on in the day:

**Audio Described 2.30pm, Touch Tours at 10.30am, 11am or 1pm**
