

ROTARY CLUBS OF MILTON KEYNES - LEND-A-HAND DAY 2016

On Saturday 23rd April 2016, The Rotarians of Milton Keynes will help you in your home with tasks that require assistance because no one in your household is able to safely do so. This day is part of our community service, so is free to those we help. **How it works** - If you have a job that needs doing, return the completed registration form below. We will check that we can do your job. Age UK Milton Keynes may telephone you to check the details. A few days before 23rd April we will telephone you to confirm everything. We will usually work in teams of at least two people. We will supply the labour and the tools for the job. **We do not supply any materials.**

Because we want to help as many people as we can on the day we can only do the work that you have requested on the form and the **maximum time allowed is usually one hour**. We cannot work in your home if anyone is smoking during our visit.

Tasks might include:
