

# **CALLING ALL EMPLOYERS OF PERSONAL CARE ASSISTANTS, ORGANISATIONS THAT SUPPORT THEM AND RELEVANT STAFF FROM LOCAL AUTHORITIES AND CLINICAL COMMISSIONING GROUPS**

The law on workplace pensions has changed. Under the Pensions Act 2008, every employer in the UK must put certain staff into a pension scheme and contribute towards it. This is called auto enrolment. It applies to all employers including employers of personal assistants.

But DON'T PANIC help is at hand!

Disability Rights UK with support from The Pensions Regulator has organised a series of SEMINARS around England that will help answer all your questions.

Come along to a SEMINAR near you and hear directly from a representative of the Pension Regulator about how the law on workplace pensions has changed, what you need to do, and when. There will also be an opportunity for you to get answers to your questions and discuss any concerns you may have.

The SEMINARS are free to attend but numbers are limited so DON'T DELAY BOOK TODAY
